Winter Break Letter to Parents and Staff

Dear NHCCS Family,

As we approach our winter break, I hope you find time to rest, enjoy meaningful moments with loved ones, and reflect on the many blessings in our lives. This season offers us the chance to recharge and express gratitude for all we have accomplished together.

I am incredibly proud of our students' progress, demonstrated through their recent achievements and improved i-Ready scores. These successes are a testament to the dedication of our teachers, who work tirelessly to deliver quality instruction at every grade level. I also want to express my heartfelt appreciation for our support staff, whose commitment ensures that our school remains a safe, clean, and welcoming environment where students can thrive.

To our NHCCS students and caregivers, thank you for your partnership in helping us uphold our reputation as the Model of Excellence in Urban Education. Your support is invaluable, and together, we continue to inspire and empower our students to reach their full potential.

To maintain learning momentum during the break, we have prepared winter take-home packages for every student. These assignments are not optional and will count toward your child's grades. We kindly ask for your support in ensuring that your child completes this important work.

On behalf of our entire team, I wish you a restful, joyful winter break and a Happy New Year. May this time bring peace, warmth, and renewal to you and your loved ones.

Educationally yours,

Stephen Webb
